

Hi, I'm Tom Gangelhoff

I am your Technical Inside Sales Representative
I will be working with your Field Sales
Representatives
Jeff Kramer & Jerry Zachman

Our goal is to ensure your success and minimize your risk with
our knowledge, accessibility, and responsiveness.

I am a graduate of Hennepin Technical College where I received a degree in Fluid Power Technology. I also earned my certificate as a Fluid Power Specialist. I have been with Braas for over 1 year.

I can help with solutions that will enhance quality, boost productivity, and improve safety through the application and selection of the components and systems available from our world-renowned manufacturers. I'm ready to discuss what Braas Company can do for you and I welcome your call or email.

Braas Company is a premier Industrial Automation Distributor. We are authorized representatives for more than 80 manufacturers. Amongst them are some of the most progressive and renowned manufacturers of industrial automation components and systems in the world.

Braas Company has expanded its \$3M+ inventory to be one of the most comprehensive in the industry. Our extensive stocking programs ensure that you have access to a broad selection of commonly used products. Our E-Sales website gives you 24/7 access to our inventory and pricing information. You can even place and track your orders.
