

Motion Control, Sensing & Logic Control Products

Primary Suppliers

Animatics - Smart servo integrated motor, controller and drive

Banner Engineering - Sensors, machine safety devices, indicator lights, wireless sensor networks, machine vision & lighting

Cutler-Hammer - Starters, pushbuttons, circuit breakers, sensors, operator interfaces, power supplies

Denso Robotics - 6 axis articulated and 4 axis SCARA assembly robots

LMI Technologies - 3D line profile sensors

Moxa - Device networking, industrial Ethernet switches, serial to Ethernet converters, industrial wireless

Nachi Robotics - 4, 6, & 7 axis industrial robots

Omron - PLCs, operator interfaces, motion controls, sensors, timers, RFID systems, counters, temp/process controls, power supplies, relays

PPT Vision - Vision & ID systems, cameras, lenses & lighting

Rittal - Electrical & electronic enclosures and climate control devices

Wago - Terminal blocks, industrial field bus I/O, Ethernet products

Wittenstein - Precision planetary & worm gear reducers for stepping and servo motors

Also available from Braas Company

Altra - Warner clutches & brakes, electric linear actuators

Anaheim Automation - Step motors & drives

Advanced Illumination - LED lighting and controls for vision inspection

Altech - Terminal blocks & control cabinet components

Applied Robotics - Robotic accessories, tool changers and collision sensors

Beldon/Lumberg - Industrial networking connectors & cables

CCS America - Lighting for vision applications

Control Technology Corporation - Multi axes machine & motion controllers

Danaher Controls (Dynapar, Eagle Signal, Veeder-Root) - Encoders, timers, counters & sensors

Deltron - Ball and crossed roller slides and stages

Edmund Optics - Camera lenses for vision systems

Encoder Products - Digital encoders

Gardasoft - LED lighting controllers for machine vision

Hammond Mfg - Electrical enclosures

International Power - Linear DC power supplies

JAI - High performance cameras for machine vision

Leeson - AC & DC motors 1/4-350 Hp

Leuze Electronic - Safety Sensors

Lin-Mot - Linear motors, drives & controllers

Maple Systems - Operator interface panels

Minarik Drives - AC & DC motors and drives 1/20-5hp

MurrPlastik - Cable management products

Nanomotion - Piezoelectric servo motors & controls

NB Linear Systems - Linear Rail, Shafting and Stages

Pacific Bearing - Linear guides and bearings

Rockford Ball Screws - Ball & Acme screws and nuts

Siko - Shaft position indicators & measurement products

Smart Vision - Advanced lighting for machine vision

Softnoze - Sensor integration & mounting components

Winsmith - Worm & helical gear reducers

Total Control Solutions - Industrial computers

Unitronics - PLCs with built-in operator interfaces

Zero-max - Couplings, torque limiters, linear motion

Pneumatic & Conveying Products

Primary Suppliers

Dorner - Low-profile industrial and stainless wash-down conveyors and accessories

MayTec - Inch and metric aluminum profile extrusion for guarding, machine frames and ergonomic work stations

QuickDraw - Modular low profile conveyors

SMC Corporation of America -

Actuators and Cylinders - NFPA, non repairable, compact, linear & rotary, grippers, shock absorbers, rod aligners

Airline equipment - Filters, regulators, lubricators, lock-out valves, soft starts, pressure & vacuum switches, dryers, tubing, fittings, manifolds, quick exhaust valves, flow controls, silencers, mufflers & exhaust cleaners

Vacuum - Compressed air generators, suction cups, buffers, adapters, digital vacuum switches with display & outputs, regulators

Valves - 2, 3, 4-way stand alone & manifold mounted solenoid valves (wired, Devicenet, Profibus, EthernetIP, AB) mechanical, manual, air pilot

Also available from Braas Company

ACE Controls - Industrial shock absorbers, gas springs

Airtrol - Precision vacuum/pressure switches & miniature regulators

AMC Conveyors - Modular continuous belt palletized conveyor systems

Anver - Vacuum cups, fixtures and assemblies

Canfield Connectors - Electrical connectors (DIN) for timers & solenoid valves

Deltrol - Flow, needle and check valves

Dwyer - Flow meters, switches, and magnehelic gauges

Illinois Pneumatics - Low friction cylinders rolling diaphragm cylinders

ITW Vortec - Pneumatic cooling tubes, enclosure coolers & curtain transvector

Industrial Components Group - Clamping levers, handles, hand wheels, leveling feet & other machine components

Jaco - Non-metallic fittings for corrosive environments

LinkTech - Pneumatic & fluid quick coupling solutions

Milwaukee Cylinder - Pneumatic & hydraulic cylinders and boosters

New London Conveyor - Custom conveyors

NoShok - Pressure and vacuum gauges, switches, transmitters, transducers, valves, seals

Rotomation - Pneumatic indexers, steppers & rotary actuators

Vaccon - Pneumatically driven vacuum pumps, vacuum cups, end of arm tooling

SCADA, Networking & Industrial PC Products

Iconics - Automation, business visualization & OPC software solutions

Banner Engineering - Wireless

ELO - Touch computers & touch monitors

Kepware Technologies - OPC servers

Moxa - Device networking, industrial Ethernet switches, serial to Ethernet converters, industrial wireless

Total Control Solutions - Flat panel computers flat panel industrial monitors & industrial computer chassis

Wago - Ethernet, Profibus and other network products, remote I/O
